STUDENT COUNCIL

Mr. Stone

The Student Council is the governing body of Keokuk Senior High School. Under the direction of Mr. Stone, it is their responsibility to help solve the problems of the student body, and to support worthwhile student projects.

Some of their more important projects for this year included the football homecoming activities, the K.H.S. Community Chest drive, sponsoring the after-game dances and providing assemblies.

Seated, left to right: Jack Jones, Dale Walter, Bill Sapp, Charles Goodrich, Dick Prunty, Eugene Brookhart, Larry Weidemeyer, Joyce Rittenhouse, Shirley Dockum, Judy Payne, Marilyn Morgan, Marlys Petersen, Marge Glasgow.
Standing: Mr. Stone, Bob Mason, Jack Hawkins, Patty Stanton, Julia Huiskamp, Jean Wellington.

COMMENT STAFF

Seven Senior Editors and seven Junior Assistants are waiting with baited breathes for your opinion of our Comment.

The Comment was our baby—we've taken it all the way from a few squalling ideas to its present condition. We've sat up long nights with the fitfull baby, nursed it through crisis and now here it is—grown up! We hope you like it.

Seated, left to right: M. Johnson, B. Droe, J. Wellington, K. Rader, J. Hawkins, J. Landman, D. Ayer, K. Overstreet, N. Toomes, J. Doyle, J. Huiskamp.

Standing: Miss Keiser, D. Underwood, B. Vorhies, B. Heston.

Phi Chem

Phi-Chem is a high school organization composed of ambitious students who are willing to participate in the various activities of the club. To be eligible for enrollment as a member, the physics or chemistry student must show a willingness to carry on projects, demonstrations, and work for the enlargement of the treasury through sale of candy at the high school games. The hall case and bulletin board on the third floor contain exhibits of a scientific nature which are accompanied by explanation of the phenomena involved. Mr. Leimer, the sponsor, works very hard to keep the club active and, so far, has done a very excellent job.

Left to Right: S. Jones, C. Kingsbury, E. Johnson, T. Barnes, Mr. Leimer, J. Martin, B. Vorhies, R. Carlson, C. Shalla, D. Bauer.

G. A. A.

The Girls' Athletic Association offers a program of after-school sports activities. Under the supervision of Miss Ballance, the club members participate in a wide variety of individual and team sports activities, the most popular being basket ball, softball, aerial dart, bowling, swimming, volley ball, roller skating, bicycling and hiking.

CHRISTMAS VESPERS

The Christmas Vespers is one of Mr. Sorenson's larger, more important productions of the school year. It was described as a very beautiful and impressive program. Costuming was carried out in full and all songs and tableau were the characteristic Christmas songs. The newly organized A Capella Choir make its first appearance with Helen Venning singing as soloist. The Advanced Girls Glee Club sang two lovely songs with Marscine Haas as soloist.

PEP ASSEMBLIES AND THEIR SPONSORS

FOOTBALL

There were only three pep assemblies during the 1951 football season. This was due to the fact that the home season was limited to three conference games.

The Thespians were the sponsors of a very effective pep rally at Glenn Koch field the night before the Keokuk-Mt. Pleasant game.

On the day of the Keokuk-Muscatine game, a pep assembly was held by the cheerleaders. They introduced several new yells and motions to some old ones.

The Pow Wow had charge of the assembly on the day of the Keokuk-Ft. Madison game November 9. The program comprised, in a very solemn manner, the burial of the Madison team's hopes of winning.

VARSITY BASKET BALL

Another great team has emerged from the halls of Keokuk Senior High to end the 1951-52 season as Little Six Conference Champs for the second consecutive year. Coach Don Shupe piloted the Chiefs to the title with a 13-1 conference record losing only to a high spirited Ottumwa team.

Through the cooperation, understanding and hard work of the boys, Shupe has developed another great team which fans and followers may be proud of. The only other loss suffered by the Chiefs was to Davenport in the early part of the season.

We have another boy similar to "Jumping Jack" Saltzgaver. His name is "Jumping Jack" McIntyre. Bill Logan, one of Iowa's outstanding scorers, has roundly blasted nearly all his own records and some new ones during his last season at Senior High. Bob Williams is to be commended on his defensive action. To Jack Jones and Larry Koch we give recognition on their quick maneuvers which gives the sparkle to floor play both offensively and defensively. Jim Breakbill's and Jim Gammon's height were a great advantage with rebounds so vital.

SOPHOMORE BASKETBALL

The K.H.S. sophomores under the direction of Coach Bob Gowing have the spirit of a great team. They have given many fans an exciting game by coming through in the last frame to win after being behind by a considerable margin. They showed improvement with every game and could have given any sophomore team a battle.

HONOR WINNERS OF "52"

Everyone likes a winner—or so the old proverb says.

K. H. S. is proud of her winners too. A placement in the second All-State Football team, a first place Voice of Democracy district contest winner, three All-State Band placements and the winner of the city-wide Fire Prevention Essay contest sponsored by the Keokuk Chamber of Commerce.

Awards made at the end of the year are not included.

Fire Prevention Essay

From the click-clicking of the typewriters to the endless whir of the ditto machine, Miss Conner capably manages her classes. After completing a course in stenography, everyone is ready for office work.

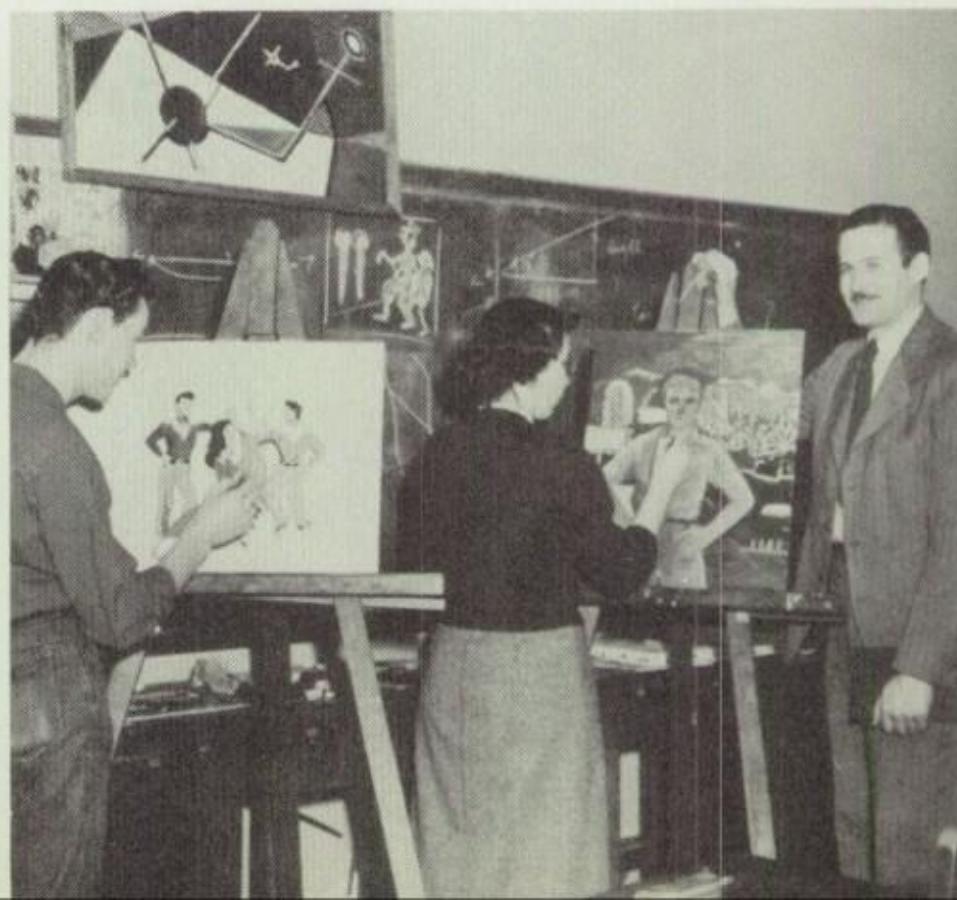

Homemaking usually comes in pretty handy for girls, and if the boys aren't lucky enough to get a girl who has taken it from Miss Miller or Miss Vaughan, they might wish they had taken it themselves.

APPLIED ARTS

A perfect picture of concentration — no, the object of these pensive expressions is not related to biology or physics, but the movie projector is nevertheless essential to education. Mr. Spohnheimer has been busy training the movie projector operators who are always on the job showing our films.

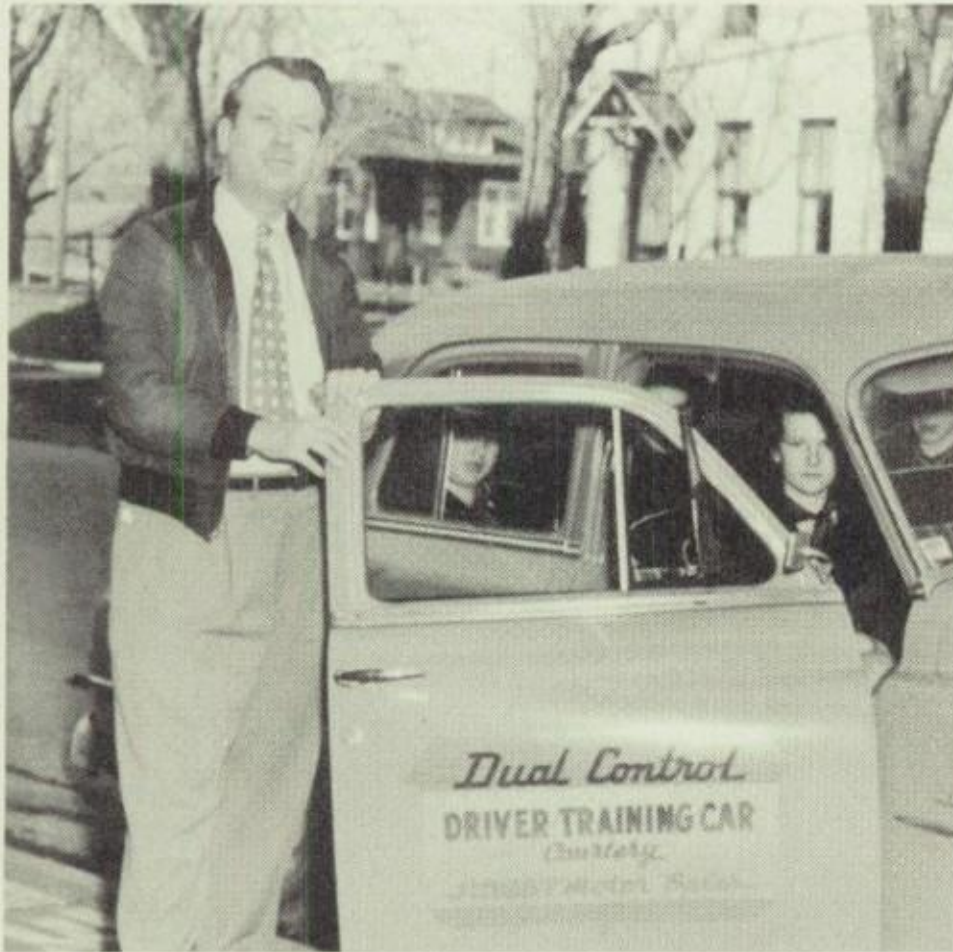

Modern Art! Are you interested in modern art or do you prefer yours to be down to earth? This year we have a fine art department under the capable supervision of Mr. Stenoish.

Mechanics In Action

Occasionally one may see lamps, bookshelves, or tables being carried out of school. These show the unique skill taught to the boys by Mr. Megchelsen in wood shop.

Bravely smiling before stepping into the dangerous driver training car, Mr. Jones poses for our camera.

Future handymen of America! In metal shop, Mr. McCullough teaches the boys the technique of operating the various machines.

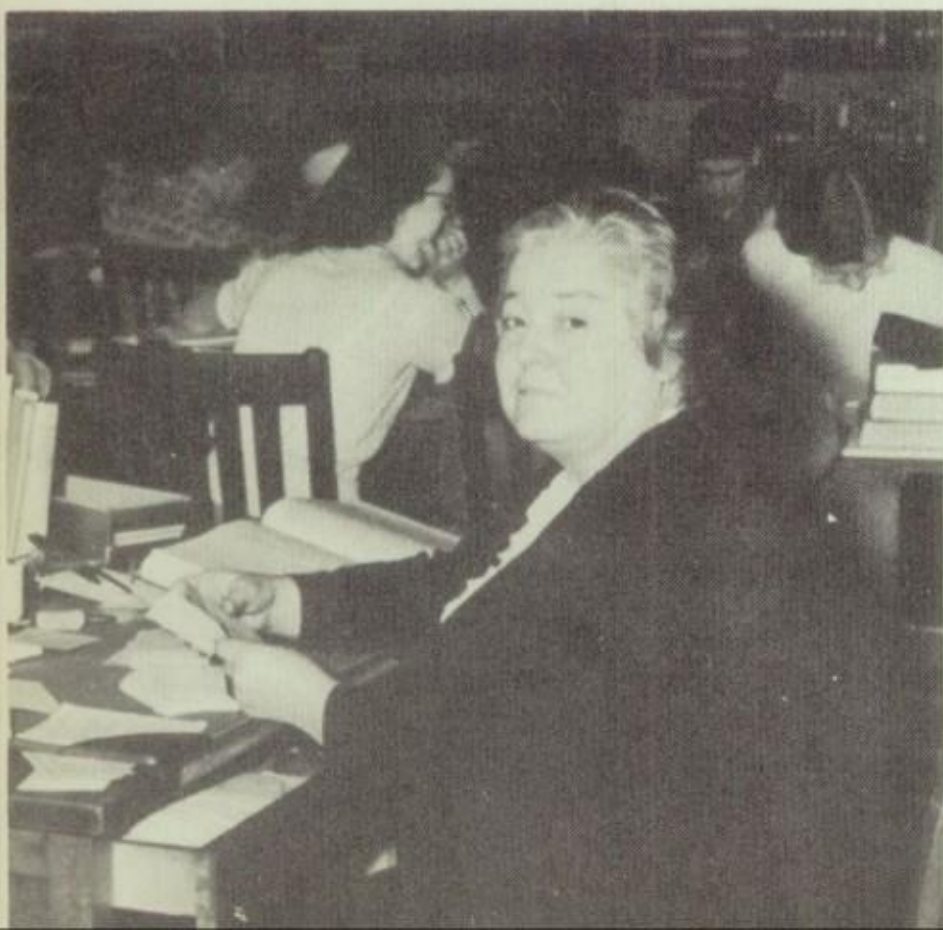

FEMININE GENDER

Persona grata. Can you translate these Latin words? Or are you having enough trouble with good old English? If so, see Miss Hughes for expert advice.

Gone Fishin!

When a student takes up biology under the supervision of Mrs. Beard, one of the many things which is taught is the makeup of these little creatures.

Books! Books! All of the students seem to need books from the school library. Because of our very capable librarian, Miss Meredith, we are able to find the books we need easily. She is always willing to help anyone find the information for which they are looking.
